2014 Receipts and States at Goal

ACEC/PAC Receipts

ACEC/NY celebrates meeting goal for 2015

Each state is assigned a fundraising goal based on membership strength and the strategic goal of raising \$1 million annually by 2015. PAC Champions, appointed by their state, lead the charge towards meeting this goal. States approach this goal in a variety of ways, through special events, sweepstakes and peer-to-peer fundraising.

In 2014, a record-breaking 37 states met this fundraising goal setting an overall fundraising record of \$834,705. Among some of the more notable nationwide fundraising accomplishments:

- New York raised over \$66,000—the most of any state organization; with Illinois following closely raising over \$65,000.
- Florida and Vermont met goal for the first time in history.
- An additional 7 states outreased their 2013 fundraising totals including California, Colorado, Georgia, Louisiana, Missouri, New Hampshire and New Jersey.

ACEC/TN meets goal for the 11th consecutive year
